Subject of petition:	**Termination of local Bus services in Torbay: -** To the House of Commons. The petition of users of the No.65 bus service in Torbay, Declares that the cancellation of the number 65 bus service between The Willows to Torquay via Hele, Babbacombe, Quinta, Ellacombe and St Marychurch will have a detrimental impact on local residents, in particular, elderly residents. The petitioners therefore request that the House of Commons urges Torbay Council to commit to providing a similar service to the previous No. 65 service for the sake of the local residents as soon as possible. And the petitioners remain, etc.
